

Freelance database application

Phoenix Multimedia Productions will work on your behalf to secure freelance employment or work experience opportunities within the media industry.

We can't guarantee you a constant stream of employment, but the more information you can provide below will clearly improve your chances.

In order to join our database, you will need to commit to an upfront charge of £20 for 6 months from the date you joined.

All completed applications must be sent to: - enquiries@phoenixmplttd.co.uk
